The Bracco Italiano Society 25th Anniversary Commemorative Annual

2023 saw the 25th anniversary of the society, to celebrate this achievement a commemorative annual will be produced. It will contain facts and figures from the last 25 years for both the society and the breed.

The most important section of the annual will be the chance for you to commemorate your own bracchi and their achievements, past and present. Even if your dog was not one of the breeds first, they are all important and deserve their place in the annual.

All we need currently is how many pages you wish to have, once we have enough pages booked to enable the annual to be printed, we will request payment plus the text and photographs for your pages. We can help in creating a design if required.

All members will receive a copy of the annual free of charge. Non-members will receive a free copy if they place an advert. An opportunity to purchase extra copies will also be available.

Prices are detailed below, please send only the required number of pages, with your contact details by post or preferably email, no later than 30th April 2024.

With kind regards

K C Newman-Jones
